WEB DESIGN – PROJECT MANAGEMENT – CUSTOMER SERVICE – PROGRAMMING

SUMMARY

Vivacious and compassionate Front-End Developer with extensive experience creating web pages using various markup languages, defining web page structure and style, generating reusable code, and streamlining page loading speeds. Skilled in designing and maintaining the entire web application framework to achieve optimal performance and stability through exceptional time management, analytical, and problem-solving abilities. Capable of maximizing the application's technology and aesthetics while providing the best user experience. Aim to improve organizational value by leveraging my skills and knowledge to perform efficiently in a fast-paced setting while integrating optimal flow for rapidly changing design and technology.

CORE COMPETENCE

- Critical Thinking
- Web Performance
- Team Leadership
- Testing/Debugging
- Programming Language
- Data Migration
- Product Management
- Database Administration
- Attention to Detail
- Problem-Solving
- Time Management
- Contract Negotiation

WORK EXPERIENCE

Oct.2020 – Present

Front-End Developer
Tech Studio Academy, Lagos State, Nigeria.

- Create single-page apps (SPAs) and responsive web designs with HTML5 grid layouts and CSS3 media queries.
- Utilize a variety of markup languages to construct web pages and optimize websites for optimal performance and scalability.
- Create reusable code to expand functionality, modify code, and improve procedures for smoother operations and increased user engagement.
- Implement UI design principles to ensure that the product's client-side functionality scales.

May.2020 – Oct.2020

Freelancer/Web Developer
Freelance, Lagos State, Nigeria.

- Mastered HTML, CSS, and JavaScript to build high-quality code for diverse projects.
- Worked extensively with back-end developers to diagnose and resolve coding issues.
- Met with prospective clients to review websites and acquire client specifications for new or existing websites.
- Collaborated with the team to offer technically functional and user-friendly solutions for clients.

- Checked the front-end code's functioning across several platforms and browsers.

Nov.2018 – Mar.2020	**Salesperson**

Wike Supreme Autos, Lagos State, Nigeria.

- Maintained online advertising platforms and social media accounts to create leads and maintain lists of prospective clients.
- Negotiated prices with clients to reach sales targets and handled client deposits and transactions.
- Prepared weekly and monthly business activity reports.

EDUCATION

Auchi Polytechnic   *Edo State, Nigeria.*
HND. Chemistry/Biochemistry   *2018*
